"We will fill this and that
with nuts."

"See the seed in this hand."

"Is it a weed with shells?
I need shells."

"See that hill.
We will weed it.
Then we will set this seed
in the sand on that hill."

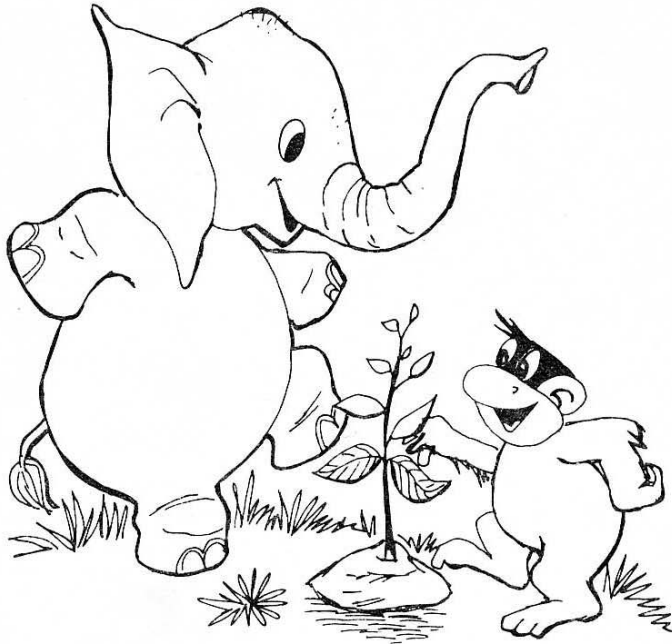

"Will we see hats on the weed?"

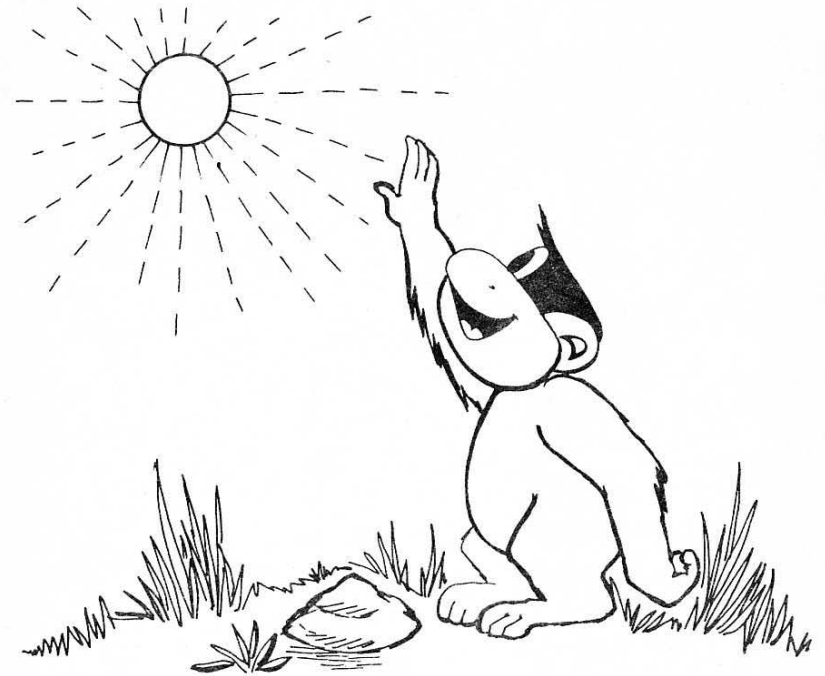

"Hand me the seed.

I will set it in the sand."

"It is a fat weed.

The weed is on the hill."

"The seed needs sun."

Plot Summary

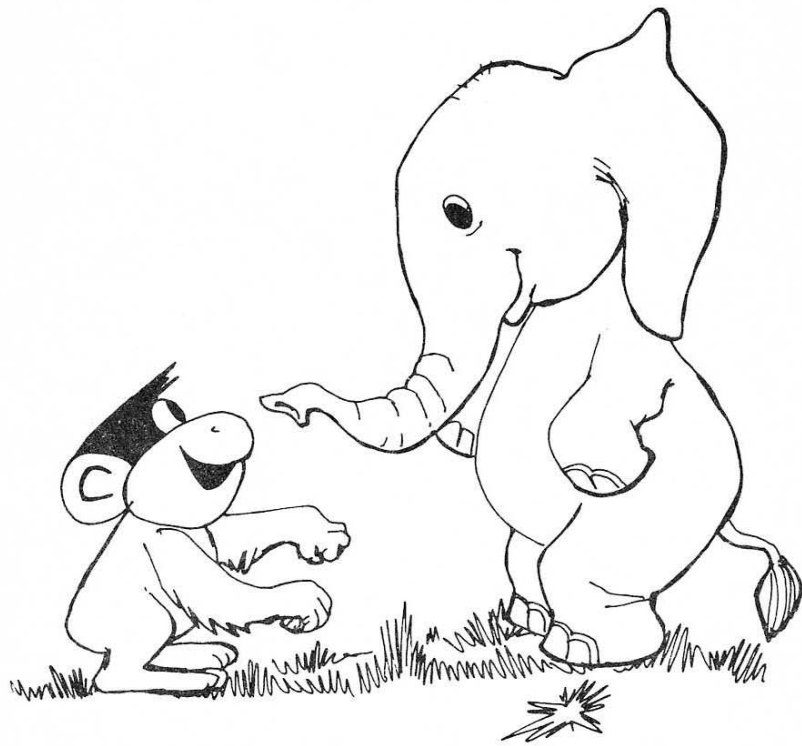

Mit has a seed which he and Will want to plant on a hillside. First they weed the hill. Then they plant the seed. Sun shines on the seed and rain falls on it. The seed grows into a little tree. Mit and Will try to guess what kind of a tree it will be. After many days, fat nuts appear on the branches. Mit and Will are proud of their tree and share the nuts with their friends.
